Allen & Allen Company

Allen & Allen Company is a full line lumber and hardware distributor. Since 1931, Allen & Allen has served Texas, North America, Central and South America. It's diversity and quality in products has led to Allen & Allen's continued growth in services and market share. Personal one-to-one service has remained our focus even as Allen & Allen has continued to grow. It is our diversity and quality of products combined with our focus on customer service that sets Allen & Allen

Company apart from your run-of-the-mill lumberyard.

In recent years Allen & Allen has continued to diversify our product base. In the 90's, Allen & Allen added a full time Commercial Hardware Division which services the construction industry with commercial hardware and hollow metal doors. The Commercial Hardware Division has certified architectural hardware consultants on staff who offer their clients guidance and the latest information regarding hardware codes for the construction industry in Texas. The Commercial Hardware Division has

successfully partnered on numerous high-profile jobs including Six Flags Fiesta Texas, La Cantera Hotel, the Hyatt Hill Country Resort, the Cancer Research

and Therapy Center, the Sony plant and numerous Churches, Synagogues, and Schools throughout San Antonio.

Our Northside Showroom serves as the primary selection center for decorative hardware and plumbing lines, offering you a comfortable, relaxed atmosphere in which to select hardware for your new home or hardware for your upcoming remodeling project. It is also home to Allen & Allen's Weather Shield Windows & Door Division, which offers the highest quality custom made windows available.

While many of you will continue to want paper catalogs we also recognize

Allen & Allen Company

the value of converting the catalog to electronic media. You can request a CD-Rom of this catalog by calling 800-950-8579 or by visiting our company website at <http://www.LumberHardware.com> and selecting the "Catalog" Link. One benefit of having the electronic format is you'll have all the graphics contained within the catalog available for inclusion with your project quotations.

Additional information and services can be found at our web site, which includes maps to all three locations, operating hours, information on our company history, e-mail links for our employees, our Y2K compliance information, and a link to our on-line ordering system known as Entrynet.

Thank you for being a customer of Allen & Allen Company, and please let us know how we can continue to serve you in the future.

Allen & Allen Company

GENERAL INFORMATION

Credit Terms

1% - 10th of the month following date of purchase; net 15th of the month following for approved credit accounts.

Returned Merchandise

No merchandise is to be returned without our written permission. All returns must be shipped prepaid, and are subject to a minimum of 10% restocking charge on Inventory Items Only.

Special Order Policy

Items that are "Special Order", non-inventory items, are nonreturnable. Orders valued at \$500.00 or less require full payment. For orders over \$500.00 a 50% deposit is required. This deposit requirement applies to C.O.D. accounts and must be placed before the order can be processed. Once the order has been placed with the factory it cannot be cancelled.

Customers ordering Special Order items need to be sure they have the correct quantity, size and finish of the item needed.

Special order have varied lead times and Allen & Allen will give an approximate shipping time. Allen & Allen has no control of their vendors or manufacturing so shipping dates could sometimes be longer than anticipated.

Orders

Most orders for stock items will be shipped within three (3) working days from the receipt of order. To expedite customers' orders, items

unavailable at time of shipment will be backordered. In town orders will be delivered within one (1) working day from receipt of order.

Freight and Allowance

Allen & Allen Company allows freight on all stock hardware and finishing supply orders amounting to \$450.00 or more net value, anywhere in the continental United States. (This net value subject to change without prior notice.) Lumber, plywood and mouldings are sold F.O.B. San Antonio, Texas unless other arrangements are made in advance of shipping.

New Accounts

We welcome all new accounts. On first orders, please mail three credit references with your order to expedite shipment: otherwise, there could be some delay in receiving merchandise. If you would like a credit application contact our Credit Department so we can mail you or FAX you an application and tax exemption application if needed.
